Conference Speakers:

KEYNOTE SPEAKER

William Troy
Chief Executive Officer, ASQ

As Chief Executive Officer, William Troy directs ASQ's mission to advance quality and quality tools worldwide. His duties include ensuring the alignment of ASQ's strategies and goals, in an effort to advance quality worldwide. Mr. Troy joined ASQ following a 38-year career with the U.S. Army, from which he retired as a 3-star Lieutenant General. He most recently was director of U.S. Army staff at the Pentagon.

Judith Svarczkopf
*Principal Technical
Advisor, Genentech*

Ms. Svarczkopf brings more than 20 years of experience in the pharmaceutical

and blood bank industries, working on combination products with medical devices and in-vitro diagnostics. She is currently the Lead for implementing device requirements into the global Roche/Genentech Pharmaceutical Quality System.

Alan G. Minsk
*Partner and Chair of the
Food & Drug Practice Team,
Arnall Golden Gregory LLP*

Mr. Minsk advises pharmaceutical, medical device, and food companies on all legal and regulatory matters relating to the U.S. Food and Drug Administration, and certain matters concerning the U.S. Department of Agriculture, the Federal Trade Commission, the Drug Enforcement Administration, the Bureau of Alcohol, Tobacco and Firearms, and the Consumer Product Safety Commission. He counsels clients and has spoken and written on a variety of FDA-related issues, including regulatory strategies and life cycle management, combination products, FDA enforcement, FDA inspections, corporate compliance, market exclusivity, product promotion and advertising, product liability, clinical trials and imports and exports.
