# Town Hall Format

- This Town Hall is being recorded so Rx-360 can post on our website as an industry resource.
- During the Town Hall questions can be sent in via the Chat icon located on your screen or by emailing Brittany Doody at [bdoodo@rx-360.org](mailto:bdoodo@rx-360.org)
- When you do send in question, please provide your name and organization.
- Anthony Orosz email: [Anthony.Orosz@cbp.dhs.gov](mailto:Anthony.Orosz@cbp.dhs.gov)

# Rx-360 COVID-19 Working Group

The Supply Chain Integrity Committee at Rx-360 is requesting volunteers to join a new temporary Rx-360 Working Group around managing risks to the supply chain. The goal of this working group is to share challenges that we are facing across the industry and using this platform to benchmark those challenges with other companies. Some opportunities for discussion include:

- How are companies maintaining supply of goods with borders closures and other restrictions?
- Given the new and rapidly changing landscape within supply chain, what are best practices and examples of finding reliable suppliers? Has this been an issue?
- How are companies maintaining GMP compliance?
- Do you foresee an increase in supply chain security events, such as theft, un-manifested cargo, counterfeiting, adulteration?

If you or anyone in your organization is interested in joining the group, please respond to myself ([jfries@rx-360.org](mailto:jfries@rx-360.org)) or Brittany Doody ([bdooddy@rx-360.org](mailto:bdooddy@rx-360.org)). We will be scheduling the initial meeting for April 3rd at 12:00pm EST.
